**Atsons : Top 20 Places to Visit in Scotland - Top 20 Scotland Travel Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Top 20 Places to Visit in Scotland - Top 20 Scotland Travel Guide:

0 of 0 people found the following review helpful. Great book for planning a trip to ScotlandBy T. AdamsThis book gave me a great place to start planning our trip to Scotland.It gives a bit of history and background for each place and lovely full-color photos. I wish it had a small country map of Scotland with the 20 place names so you could get a

visual of where each is located. It does have a small map in the back but it has numbers on it and they obliterate the place names so you have to keep going back and forth in the book. If those numbers were interactive you could just click on one to see the name and maybe double-click to go to the page. Now that would be really useful, IMO. A very short, top-level book you can read in a little more than an hour. 1 of 1 people found the following review helpful. Best Guide for Scotland By Laura R I'm so excited to be touring Europe in the next few months. I'm not really a tour guide book buying person, I like to learn things on the fly. But since I'll be far away from home I figure it's smart to do a little more research. This guide is really straight forward and lots of great info that only the locals know. 0 of 0 people found the following review helpful. Loved it! Short histories of each place. By Teresa G. Loved this book of brief histories of the 20 top places in Scotland. Was not cluttered with restaurants, hotels, etc.
