John Spencer : Towns and Villages of Britain: West Yorkshire (Towns villages of Britain) before purchasing it in order to gage whether or not it would be worth my time, and all praised Towns and Villages of Britain: West Yorkshire (Towns villages of Britain):

This title is the essential guide to West Yorkshire as seen through the history of its towns and villages. Over 300 entries cover all the main settlements of the county, highlighting the key buildings, landscape and famous personalities of the area, together with associated folklore.
