VPjournals : Travel Journal Italy before purchasing it in order to gage whether or not it would be worth my time, and all praised Travel Journal Italy:

I was impressed when the journal arrived. It seems to be just the right size and the cover was very nice. This is not a hard cover, difinitely paperback, but the cover had a nice feel to it. If I were going to Italy (wishful sigh) I would definitely use it to refer to and to jot down my daily adventures. As for my friend, the recipient, she was delighted when she received it. 0 of 0 people found the following review helpful. No what I expected By Jennifer Sproul The very large font reminds me of a child's book and is not what I expected when purchased this travel journal. 0 of 0 people found the following review helpful. Three Stars By Lindsey Nothing special, just plain paper pages in a "journal".
