Sarah Stone : Travel London: A Tourist's Guide on Travelling to London; Find the Best Places to See, Things to Do, Nightlife, Restaurants and Accomodations! before purchasing it in order to gage whether or not it would be worth my time, and all praised Travel London: A Tourist's Guide on Travelling to London; Find the Best Places to

See, Things to Do, Nightlife, Restaurants and Accommodations!:

0 of 0 people found the following review helpful. Short but has useful insider info
By Ali Julia This book describes attraction and events and how to do it in the most cost effective way. The author covers both common attractions and the ones that off a beaten path. The book also is helpful by describing different modes of transportation that help get around London (which transportation to take, what stop to get off). I found a tip that only black taxis have the legal rights to pick up passengers on the street. Other taxis may attempt to pick up a foreign traveler and they may not be safe. This is a very short book and you will likely want to buy more travel books for your trip, but it has some insider information that I thought was useful.
Ali Julia review
0 of 0 people found the following review helpful. a time saver
By jessica This book is very well organized. For me a good travel plan is organization. I like how this book have chapters for free attraction as well as nightlife so when i go there i can just randomly pick one. For paid attraction, this book has price so i dont have to go online to do a research. defiantly a time saver.
0 of 0 people found the following review helpful. Disappointing
By david reid This isn't a book. It's more like a pamphlet. Minimal information. Almost like a child's travelogue. Would not recommend.

TRAVELLING IN LONDON: THE ULTIMATE TOURISTS GUIDE TO THE BEST ATTRACTIONS, HOTELS, BARS, RESTAURANTS ACCOMODATIONS IN LONDON, ENGLAND!
This book is filled with great steps and strategies on how to not only enjoy yourself in London, but also on how to make your stay as cost effective as possible. This book will tell you all you need to know about events, museums and other amazing attractions that are totally free for you and your family. If you are looking to unwind at the end of a long day of seeing some of London's most amazing sights, this book will give you all of the ins and outs of the finest pubs and nightclubs that the city has to offer. London is renowned all around the world for its impeccable theatre, particularly the theater found in West End. This book will tell you all you need to know about catching an unforgettable performance for a very reasonable price, all you have to do is read on. This book breaks down London's shopping districts and tells you all that you need to know about where to take your business. London is not, by any means, a small city. Thus, you will most likely find yourself in need of transportation while you are visiting the city. Do not fear, as this book breaks down the different modes of public transportation that London has to offer. Taking advantage of London's busses, for instance, is an excellent way of sightseeing, and it is also an incredibly inexpensive and efficient means of travel. Finally, this book will also advise you on where to stay while you are visiting London. These recommended accommodations are based on the reviews of those people that have actually visited these hotels. Also, the price of these hotels has been taken into consideration, so you need not worry about being able to afford staying in any of the recommended locations. With all of that being said, traveling to London can seem a bit daunting and, perhaps, even overwhelming. But it is important to remember that travelling is about enjoying yourself and avoiding stress whenever it is a possibility. So, with that being said, I hope you do take the time to read ahead and learn all that you need to know in order to enjoy your London experience to its fullest potential. In this book you will find useful information about... Free Attractions
Nightlife in London
The Bar Scene
West End Theatre
Where to Shop
Where to Stay
Getting Where you need to be
Where to eat on a budget
List of top attractions in London
Much, much more!

About the Author
Sarah Stone was born in the small town of Perth, Ontario, Canada. After growing up in such a small town, she always desired to travel the world and write about her travels. After pursuing her dreams and travelling to over 25 countries in the last 8 years, she has decided to create a series of travel books to help guide other travellers with their journeys. She has a passion for culture, food and wine and has learnt a lot about how to travel on a budget.
