3 of 3 people found the following review helpful. Got Map?By Obama FanI just got back from Austria and what a great time I had. This map was part of my journey which helped me tremendously! I highly recommend it. The quality of the paper prevented any mishaps along the way (such as tearing). The details were just what I was looking for and it included close up city maps on the reverse side. If you are going to Austria, I highly suggest this map over other ones.0 of 0 people found the following review helpful. map of austriaBy Truck engineerEasy to fold map. Lots of detail and covers all of Austria.

The Globetrotter Travel Map of Austria caters specifically for the needs of tourists who are new to a destination. Each map is attractively designed and features superb colour photographs. In addition to the main map of Austria, the following areas of special interest to visitors are shown in greater detail: Town Plans: Baden, Bregenz, Eisenstadt, Graz, Innsbruck, Kitzbühel, Klagenfurt, Krems, Leoben, Linz, Linz, Slazburg, Vienna Areas: Hohe Tauern National Park The town plans of the major centers pinpoint key buildings and places of interest as well as where to stay. Distance and climate charts enable travelers to plan their visits, while stunning photographs evoke the atmosphere of Austria.
