used it to get oriented and locate sites and shops. So far, every street I've wanted has been on it except for one. I also like that it's not laminated, since I like to write on my maps.

The highly successful "Globetrotter Travel Series", which includes Travel Maps and Road Atlases, presently covers over 80 destinations worldwide. This handy pocket-size guide is packed with useful information, tips and recommendations, accompanied by colour photographs, charts and maps for the first-time traveller who wants to experience the major highlights that Barbados has to offer. This travel book surpasses other guides in that it incorporates essential information in an easy-to-carry and easy-to-read format that is attractive and useful at the same time. It provides a visitor with an invaluable introduction to Barbados by concisely highlighting 'must see' areas in a practical and user-friendly format, thus encouraging the tourist to make the most of his/her available time. All the essential information you need to get around an unfamiliar area is compacted into useful and practical 'At-a-Glance' sections at the end of each chapter. The fold-out map of Barbados is ideal for tourists and visitors. In addition to the main map of Barbados, which highlights scenic routes, it features 2 full-colour town plans.
