From Travelers' Tales : Travelers' Tales Spain: True Stories (Travelers' Tales Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Travelers' Tales Spain: True Stories (Travelers' Tales Guides):

0 of 0 people found the following review helpful. Five StarsBy Kathleen OplerExcellent collection of interesting , very well written stories.0 of 0 people found the following review helpful. So much more than a travel guideBy G. CoatesReading Travelers' Tales of Spain was an almost real travel experience--providing the moods, sensory inputs,

getting-to-know a people, culture, time and place sensation. I loved every travel story and made many notes to find my own insights when next visiting this historic country. 0 of 0 people found the following review helpful. Five StarsBy William West JrWonderful!

Journey into Spain with some of the world's best writers, and discover a country of heightened senses, bougainvillea blossoming in crimson and orange, and air pungent with sizzling olive oil. Readers travel the ancient road to Santiago, get a glimpse of Pamplona during the running of the bulls, walk in Don Quixote's footsteps on a midlife quest, and follow a woman's dream to study the "male" art of flamenco guitar. These soulful stories of travel in a land poised between the old world and new. Gabriel Garcia Marquez, Barbara Kingsolver, Calvin Trillin, and Penelope Casas are among the authors featured.

"...a deftly woven tapestry of literary threads...that presents each contribution with distinction--and in so doing rewards the reader." -- Newsweek "A superb, eclectic collection that reeks wonderfully of gazpacho and paella, and resonates with sounds of heel-clicking and flamenco..." -- Barnaby Conrad, author of Matador "Lucy McCauley has done a remarkable job in Travelers' Tales Spain, distilling the essence of the country's spirit and sensuality." -- Don Lee, editor of Ploughshares
