Thomas Cook Publishing : Traveller Guides Krakow, 4th (Travellers - Thomas Cook) before purchasing it in order to gage whether or not it would be worth my time, and all praised Traveller Guides Krakow, 4th (Travellers - Thomas Cook):

2 of 2 people found the following review helpful. Great guide!By kimwThis guide taught me so much prior to my trip, I was more easily able understand/follow everything my (human) guide was teaching me while in Krakow. I was able to pick and choose things I wanted to see and experience and eliminate things I just wouldn't have time for. The information and photos in the guide came to life when seeing the real Krakow.

The traveller guides series are informative and concise, and are aimed at mainstream travelers wanting to discover something a little different on their trip. These indispensable guides offer the perfect blend of culture, history, practical information, mapping, photography and listings.
