John Mitchell, John F Michell, First Last : Traveller's Guide to Sacred England before purchasing it in order to gauge whether or not it would be worth my time, and all praised Traveller's Guide to Sacred England:

0 of 0 people found the following review helpful. Three StarsBy carisse youngPrint very small. Not for visually impaired people. Bummer was looking forward to reading it.9 of 10 people found the following review helpful. A Perfect GuideBy Carolee1945I found this book 20 years ago. It inspired me to go on a 6 week journey to England, where I visited many of the holy wells and sacred sites mentioned in the book. I am desperate to find my old copy of it, because this trip was one of the most meaningful I have ever done. I guess I will have to order this newer copy. This book had a profound effect on my life!!! It led me to places where I was the only visitor. I highly recommend it.27 of 28 people found the following review helpful. Brilliant travel companionBy MI travelled through Northern England in the late 90's with an earlier edition of this guide. It was a wonderful resource for some well-known, and not so well known historic/sacred sites in England.I visited many Roman forts, ruins, Arthurian sites, and a few not well known standing stone circles (such as Castle Rigg near Keswick in the Lake District, if you can't stand the crowds and tourism at Stonehenge!).I flew from Canada, and backpacked around by train and bus to many out of the way sites, and this guide led me to many treasures during my travels. Highly recommended.

This work aims to provide an informative companion to those travellers seeking the ancient spirit of the land. It takes us on a journey to ruined abbeys and cathedrals, pagan sites and megalithic temples, shrines of saints and visionaries, holy wells, and island sanctuaries.
