Lindsay Bennett, Pete Bennett : Travellers Bulgaria (Travellers - Thomas Cook) before purchasing it in order to gage whether or not it would be worth my time, and all praised Travellers Bulgaria (Travellers - Thomas Cook):

5 of 5 people found the following review helpful. Names in CyrillicBy L. JonesI ordered this travel guide along with another. Initially, I was disappointed in this guide because it supplied very little depth and background. However, upon taking it to Bulgaria, I found it to be the most helpful because it was so concise and it had places written in English and Cyrillic. It was wonderful then!

A best-selling series of colorful and compact guidebooks, which provide an excellent all-round insight to many of the world's destinations.
