**Scott Simpson : Travellers Krakow, 3rd: Guides to destinations worldwide (Travellers - Thomas Cook)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Travellers Krakow, 3rd: Guides to destinations worldwide (Travellers - Thomas Cook):

0 of 0 people found the following review helpful. Good City Book - Cook's Editions are solid!By LittleTankSimply put, the Thomas Cook guides are superb. My only gripe with them as a long-time user has been that their maps could

use work and that they are a bit heavy (because they do a super-quality print job on excellent paper) -- and those maps still can use some work (and larger print!) But you can get a good small map free at any hotel - or once you're there, the very short guide to Krakow at most souvenir stands (a bright yellow book that comes in many languages and is very slim) to supplement the Cook's guide. I always come back to Thomas Cook guides - for both countries and cities.

This series includes popular and compact guides for discovering the very best of country, regional and city destinations. Travellers are perfectly balanced to provide the ideal mix of insightful background and top sights with practical information and resourceful listings for those interested in gaining a deeper appreciation for the destination without being weighed down with information overload. Each Traveller presents all the major places of interest - plus some hidden ones too. Feature spreads illuminate additional themes of specific interest, while walks and tours allow the reader to discover the destination from a different perspective. Shopping, entertainment, food and drink, sport and leisure and children's activities are all covered, together with essential information on arrival, currency, health and transport, and listings for restaurants, hotels and entertainment venues. New releases for 2008 come in a simple, clean look with a fresh, easy-overview layout, and the brand new destinations being published this season include an entirely new section to showcase the destination highlights and suggested itineraries.
