**Nigel Tisdall : Travellers Mallorca, 2nd (Travellers - Thomas Cook)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Travellers Mallorca, 2nd (Travellers - Thomas Cook):

10 of 10 people found the following review helpful. Nice balance in a great travel book to MajorcaBy ctcurryThis is a well put together book - perfect size and light for travel. Combines a good amount of history, photography and lists of things to do. It also combines some suggested itineraries and the information, etc is very easy to find. I was also surprised to find a CDROM enclosed that had a brief overview of the island -- my only wish on the CD would that it would have 'downloadable' items such as wallpapers or the music, etc -- otherwise, its a nice addition to get you

excited for your trip. Very well put together book. The best overall guide to Majorca I have --- two thumbs up!!!

A best-selling series of colorful and compact guidebooks, which provide an excellent all-round insight to many of the world's destinations.

"A good mixture of useful information and tips."-- Daily Telegraph
