**Thomas Cook Publishing : Travellers Poland, 2nd (Travellers - Thomas Cook)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Travellers Poland, 2nd (Travellers - Thomas Cook):

This title includes: expert advice, tracking down the best sights and experiences; suggested itineraries and Highlights sections to help you make the most out of your trip; detailed background on people, geography, culture and history; clear and accurate mapping for orientation at country, region and city levels; suggested walks and tours to somewhere

a little different, including a walk around Old Warsaw and a drive along the Baltic coast; impartial and dependable sleeping, eating and entertainment listings; and comprehensive coverage of the best of the region including: Warsaw, the Masurian Lake District, Krakow, the Carpathian Mountains, Tatra National Park, Gdansk, Wroclaw, and Poznan.
