Ewan MacColl : Travellers' Songs from England and Scotland before purchasing it in order to gage whether or not it would be worth my time, and all praised Travellers' Songs from England and Scotland:

0 of 0 people found the following review helpful. thrillingBy flupuThis book is so many things at once it's hard to know where to start. It documents what must have been an incredible experience of two excellent musicians heading out into a music-heavy culture to learn and experience their songs. Far from a dry ethnographic record, it's rich with insight and life experience.
