**Christian Swindells : Travellers Warsaw, 2nd (Travellers - Thomas Cook)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Travellers Warsaw, 2nd (Travellers - Thomas Cook):

0 of 0 people found the following review helpful. Cook's Guide to Warsaw: it WORKS! By LittleTankFull of all the info you really want, great history sections (and maps that could use some improvement in readability), these guides are tremendous - including this Warsaw guide. Used it in July for 9 days in Warsaw and it never let us down. I supplemented with the free map available at our hotel, and it worked perfectly. I always go back to Cook's guides -- and I've tried all the others, believe me! Only Michelins come close, in my opinion. But do be aware: these finely

produced books are a bit heavy!
