David Stewart White, Deb Hosey White : Travels Beyond Downton: A Guide to 25 Great Houses before purchasing it in order to gage whether or not it would be worth my time, and all praised Travels Beyond Downton: A Guide to 25 Great Houses:

2 of 2 people found the following review helpful. country houses and great houses which are scattered around BritainBy Mystica VarathapalanThe title does not indicate that the book is dealing with houses which are similar to Downton. Written in a concise, strIghtforward form it lists the old houses - manor houses, country houses and great

houses which are scattered around Britain, open to the public with a small potted history of ownership, opening hours, the web site and other details which will be of interest. If you are interested in the houses of England, the walks, the fabulous scenery and nature depicted in the book, this is definitely for you. Even if you cannot travel to actually see these places, the book is a very good one for those of us who like to read and know about beautiful places. 2 of 2 people found the following review helpful. Great source for info on a few homes By Customer Used this on a recent trip to England. There are hundreds of Manor houses open to the public so this book is very limited but a good start. Order the Hudson book if you want a more comprehensive listing although this book has more info on the houses it does list. If look at it now as my "starter" book. It got us interested and on the way to spending two weeks trying to see every manor house we could. 8 of 8 people found the following review helpful. More Gorgeous Manor Homes By Karen in Virginia If you've been enchanted with the TV series Downton Abbey, this is the book for you! It tells you just what you want to know about 25 such homes in the upper class, supplemented with beautiful photos that make you dream of being there in person. Downloaded Kindle for Mac and the book in about a minute - seamless and so easy.

Travels Beyond Downton is a guide to 25 great houses in Britain, with 25 compelling stories and 25 reasons to visit. The popular television series Downton Abbey is just the start.
