It's time to get ready for Scotland. Many fans of the Outlander novels and television series long to explore Scotland. Travels Beyond Outlander is a starting point for that journey. Whether you are an armchair traveler or a set-jetter, this

book is an independent guide to experiencing some of the most memorable places in a country filled with castles, kirks, lochs, mountains, and adventure. The special places included here are not simply a top ten list or a best of Scotland guide. There are just too many sights to pretend any one book can serve up every location worth a visit. Instead, *Travels Beyond Outlander* is a Scottish sampler of wonderful places to help focus your travel dreams. We have included a handful of film locations from the STARZ *Outlander* series and some special places related to Diana Gabaldon's *Outlander* novels. But just as important, we explore some amazing Scottish destinations that are beyond *Outlander*. For although it may be *Outlander* that draws you to Scotland, once you arrive you will discover a country where you can make your own stories and create a personal travel experience. *Travels Beyond Outlander* is an experiential guidebook including more than 70 special places in Scotland, with over 120 beautiful color photos, firsthand descriptions, bits of history and local legends. Written by the authors of *Beyond Downton Abbey*, *Let's Take the Kids to London*, and *Portugal – A Tale of Small Cities* travel guidebooks.
