The quality of the illustrations is superb! The collection is quite vast.2 of 2 people found the following review helpful. Illustrated armchair tour of the Vatican collectionsBy S. Smith-PeterThis book provides a tour of the Vatican Collections, best known for the Sistine Chapel. The book is laid out in chapters that follow the order of the galleries in the collections and provide a guided tour by their curators. There is an interesting old map of the Volga that must date from before 1552, as it includes "Cazan Regvm" or Kazan Kingdom, and Ivan the Terrible conquered it in 1552. (p. 72). The section on the ethnographic collections is rather old-fashioned. Still, an enjoyable tour through the collections that is likely a good deal less exhausting than seeing the real, vast thing.

Treasures of the Vatican Collections (An Artpress Book)191 pp. Numerous illustrations color plates. "The Vatican Museums in Viale Vaticano in Rome, inside the Vatican City, are among the greatest museums in the world, since they display works from the immense collection built up by the Roman Catholic Church throughout the centuries. Pope Julius II founded the museums in the 16th century. The Sistine Chapel and the Stanze della Segnatura decorated by Raphael are on the visitor route through the Vatican Museums. They were visited by 4,310,083 people in the year
