Dorothea Chan : True Stories: Funny, tragic and annoying experiences from my childhood and youth! before purchasing it in order to gage whether or not it would be worth my time, and all praised True Stories: Funny, tragic and annoying experiences from my childhood and youth!:

I look back to my childhood and youth in this book and tell all of you a small part of it. Our family consisted of the parents and two boys and girls. We lived in Switzerland and moved quite often. First we lived in Chur, Graubünden, then in Pfäffikon ZH, after that in Irgenhausen ZH, Staufen AG and in the end we moved to Dittingen BL. This was my father's home village and then it still belonged to the Canton Bern. I was born in Pfäffikon ZH. Many chapters of this book relate to the dares my sister staged! My father painted the title picture! I hope you enjoy reading this book!
