Sunflower Books : Turkey (Kas to Dalyan) Sunflower Complete Series before purchasing it in order to gage

whether or not it would be worth my time, and all praised Turkey (Kas to Dalyan) Sunflower Complete Series:

0 of 0 people found the following review helpful. Four StarsBy sheryl snyderGreat, clear info but yet to put into practice

Combines the best features of a Sunflower walking guide with all the detail you would expect in a hefty general guide. The Lycian Peninsula takes in a very large area; this volume concentrates on the region between Kas (including Kekova to the east) and Lake Koycegiz. A key feature of the book is coverage of the Lycian Way as day walks, with full transport details. A companion book, covering the stretch from Antalya to Demre, takes in the rest of Lycia. The wild, fissured Lycian coastal region has been called the most beautiful in Turkey. It was once so isolated that it became a place of exile. Today, thanks to the many flights to Antalya and Dalaman, millions of visitors spend their holidays in the places where unwanted dissidents were once forcibly detained. Coverage: Getting there and getting about
