RoachBeing of Tyrolean descent and also an amateur genealogist, I found this book to be an enlightening history of my ancestral home. Written over 100 years ago, the language is somewhat old fashion. However this little volume offers historical information of the ancient region called Tyrol that few modern descendants are aware of. It was very helpful in my personal research to find my roots.

The book has no illustrations or index. It may have numerous typos or missing text. However, purchasers can download a free scanned copy of the original rare book from the publisher's website (GeneralBooksClub.com). You can also preview excerpts of the book there. Purchasers are also entitled to a free trial membership in the General Books Club where they can select from more than a million books without charge.
