Ukraine Carpathians Verkhovinski Region 1:75,000 Hiking Map This is a large format, detailed, double-sided, contoured, GPS-compatible map covering the Ukrainian Carpathians around Verkhovina. It shows local hiking trails, annotated with tourist accommodation and other facilities. Scale 1:75,000 (1 inch = 1.18 mile). It is an authentic Ukrainian-made map and all names are shown in Cyrillic. Most villages and selected other features also have their names transliterated into Latin alphabet. Map legend is in Ukrainian and English. The map has contours at 20m intervals enhanced by graphics for rocky outcrops plus colouring indicating woodlands and bushy areas. Special protected areas as well as administrative borders are clearly marked. An overprint highlights both waymarked hiking routes and other recommended local trails. Symbols show various kinds of accommodation including hotels, pensions, campsites and mountain bivouacs; restaurants, post offices, gas stations, medical services, etc. Also marked are various places of interest, ski lifts, viewpoints, etc. Road network indicates locations of petrol stations and bus stops; railways are shown with stations. Latitude and longitude lines are drawn at 2' intervals. Reverse side includes a short guide and practical information for visitors (in Ukrainian only), illustrated by photographs, a place name index and

inset maps of Pushkar and Zapidky ski zones.
