1 of 1 people found the following review helpful. Worth more than the purchase price. By Walter Capp Excellent buy. Hard to find guide books of Ukraine based on user experience. 1 of 1 people found the following review helpful. Great info. By Customer Good one and some information "behind the scenes", written by someone actually lived in the country. Good info regarding Lviv and Kyiv, and also some general info regarding the country and the people. 0 of 0

people found the following review helpful. but just good, clear observations and adviceBy ESBNot a travel guide, but just good, clear observations and advice. Leaving for Ukraine in less than two weeks, and have learned some key information that I'm sure will help.

This book offers many tourist tips to prepare you for a trip to Ukraine and provides insight into the culture and way of life. Having lived in Ukraine for almost 10 years, the author offers a concise, easy-to-read insider's travel and living guide with practical advice for enhancing your stay. Part I introduces you to many of the delights the country has to offer and Part II contains city guides for Lviv and Kyiv, with helpful information on tourist attractions, entertainment options, places to eat, unique Ukrainian experiences and family-friendly activities. For those planning to stay longer, Part III offers practical advice on medical facilities, best places to shop, local transportation, tips on meeting locals, getting to know the Ukrainian way of life and much more.
