**From Institute of Geography, National Academy of Sciences of Ukraine : Ukraine in Maps, Atlas** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ukraine in Maps, Atlas:

Ukraine in Maps is published by the Institute of Geography, National Academy of Science of Ukraine. The 147 page atlas is in English and includes the Ukraine in relationship to Europe, historical evolution, natural conditions, resources of development, population, and economy. Some examples of thematic maps in the atlas include: food industry, natural population change, structure of agricultural production, international transport corridors.
