Sarah Johnstone : Ukraine (Lonely Planet Travel Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ukraine (Lonely Planet Travel Guides):

1 of 1 people found the following review helpful. InformativeBy jean hillOur fault for not looking at the date of publication as would have liked a more recent and up to date one. Book however in very good condition and arrived quickly.0 of 0 people found the following review helpful. Arrived on time, as advertised.By Joe G. Hill Jr.Arrived on time, as advertised.22 of 24 people found the following review helpful. -By J. StehnoIt's nice to finally see Lonely Planet print a book just on Ukraine with some current and updated info for people traveling there. The only disappointment I had was that there is very little coverage of Eastern Ukraine, the Donbass Region to be exact. Granted most tourist types won't venture to areas like Lugansk. For those who do want to brave the adventure don't rely on this book for any info. east of Donetsk. Other than that I thought the book was pretty good. It's compact size makes it easier to carry compared to when Lonely Planet combined Ukraine, Russia, and Belarus in their previous printing.

Be dazzled by the golden domes of myriad Orthodox cathedrals, be awed by the monumental Stalinist architecture of Kyiv, be inspired by the breathtaking natural beauty of the Crimean peninsula. On the edge of Europe, Ukraine is a land of the unconventional and quirky, a unique mix of cosmopolitan and Soviet, and this insightful guide shows you how to make the most of it all.Read All About It – Ukraine's colorful political events and fascinating history

explainedFind Adventure – ice fishing, mountain biking, caving and skiing are just some of the activities on offerRest
Easy in rural homestays or refurbished Soviet hotels – reviews to suit every budgetGet Around – 35 detailed maps
include Cyrillic for easy navigationTalk The Talk – our practical language guide helps you chat to the locals: budmo!

...these smart and exhaustively researched guides have become the gold standard for serious, independent travelers.' --
