Ukraine Moldova 1:1,000,000 Road Map English version KARTO An authentic Ukrainian-made, large format (96 x 74 cm / 37.75 x 29 in), double sided road map in the English language. Road network includes small local roads and indicates locations of petrol or service stations and border crossings as well as distances in km. The current post-soviet road numbering system is applied. Railway lines, ferry lines, local airports, sea ports and administrative boundaries are also shown, and places of interest are marked. There is no shading or contours to show the topography, but the map does distinguish forested areas, marches, and areas of sand. All geographical and place names are in Latin alphabet. Map legend is in English. Latitude and longitude lines are drawn at 1° intervals. The map provides reliable, road tested information, comes with hard cover.
