**Reise Know-How Verlag : Ukraine** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ukraine:

1 of 1 people found the following review helpful. This map is easy to readBy MT director of funThis map is easy to read, has geographic features and good detail of places of interest and boundaries. The map is made of the new non-tear material, and it is durable. I bought two additional Ukraine maps for comparison and am now ordering a second copy of the Reise map of Ukraine.0 of 0 people found the following review helpful. Five StarsBy CustomerEasy to read.
