**Olesj Benyukh, Raisa Galushko : Ukrainian-English Phrasebook and Dictionary (Hippocrene Language Studies)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ukrainian-English Phrasebook and Dictionary (Hippocrene Language Studies):

0 of 0 people found the following review helpful. Not RecommendedBy California FreethinkerThere are 205

numbered pages in this book. The first 110 contain 'useful' phrases, divided into 15 categories. The entries are in three columns: the English on the left, the Ukrainian in the middle, and a phonetic transcription of the Ukrainian pronunciation on the right. The phrases in Ukrainian have been printed in boldface type so they stand out. The typeface is so small, though, that the ink on them smudged and they are hard to read. The 95-page dictionary does not have this problem. I am interested in both Ukrainian and Russian because I live where there are large communities of Russians and Ukrainians. I had studied Russian first and found Ukrainian daunting because they still use the vocative (that seventh case) in everyday conversation. The Russians no longer do, except for the occasional 'Bozhe moi.' 0 of 0 people found the following review helpful. Like New Condition. It is what needed to backup ny tapes By dunkler Kämpfer This is an excellent book for common everyday phrases in the Ukrainian Language. It has 15 sections of different topic encountered on a trip to Ukraine. After the last chapter, a dictionary has all the words used in the book. A two cassette tapes with the same authors follows the books phrases. The tapes are not very professional, but they match the book perfectly. 0 of 0 people found the following review helpful. Five Stars By Thomas J. Sanford Very handy Book

Whether you are familiarizing yourself with the language, or planning a trip to the republic of Ukraine, this is the phrasebook / dictionary for you. For business, education, or leisure, one must realize that this area once part of the former Soviet Union has a culture and language that is quite different from Russian. This language guide prepares its reader with fifteen chapters of situational phrases suited to: traveling by rail, trolley, car or bus; coping with emergencies; Ukrainian shopping; exchanging currency; getting along at a hotel; ordering a meal, and other daily life adventures. Each Ukrainian phrase is accompanied by an English translation and phonetic pronunciation based on North American speech. For handy reference, included is a 3,000-word mini-dictionary listed in both English and Ukrainian. With its countless tips to facilitate living, traveling and working in Ukraine, this is an essential and indispensable item for the traveler.

From the Back Cover This language guide prepares its reader with fifteen chapters of situational phrases suited to: traveling by rail, trolley, car or bus; coping with emergencies; Ukrainian shopping; exchanging currency; getting along at a hotel; ordering a meal, and other daily life adventures.
