**From Mairs Geographischer Verlag, Kurt Mair : Umbria and The Marches GeoCenter Euro Map** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Umbria and The Marches GeoCenter Euro Map:

Part of the renowned Geocenter Euro Map series, this updated map of Umbria the Marches is both informative and easy-to-use. Featuring highly detailed cartography, this durable, folded map is ideal for route-planning. This updated map now features grid references in the margin to aid quicker orientation. Additional colour changes to the mapping make transport networks clearer than before. With a scale of 1:200Th and a legend in 8 languages, this is a comprehensive and indispensable road map.
