From Mairs Geographischer Verlag, Kurt Mair : Umbria and the Marches GeoCenter Map (GeoCenter Maps) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Umbria and the Marches GeoCenter Map (GeoCenter Maps):

Part of the renowned Geocenter Euro Map series, this updated map of Umbria the Marches is both informative and easy-to-use. Featuring highly detailed cartography, this durable, folded map is ideal for route-planning and now features grid references in the margin to aid quicker orientation. Additional colour changes to the mapping make transport networks clearer than before. With a scale of 1:200Th and a legend in 8 languages, this is a comprehensive and indispensable road map.
