Patricia Clough : Umbria (Armchair Traveller) before purchasing it in order to gage whether or not it would be worth my time, and all praised Umbria (Armchair Traveller):

When Patricia Clough bought a house in Umbria, she knew that buying her dream home did not mean that one's life became a dream. By the end of this book she is sure that "if one has basic requirements for being happy, then Umbria provides some of the best surroundings for happiness."

About the Author Lives in Umbria and was formely a journalist for The Times (London) and is the author of several books.
