JK McCrea : Vaison-la-Romaine: Your Corner of Provence before purchasing it in order to gage whether or not it would be worth my time, and all praised Vaison-la-Romaine: Your Corner of Provence:

A color photo book about a small town in Provence, located northeast of Avignon on the river Ouvèze, and the surrounding area. Proceeds from the sale of this book support charities including the Association for the Protection of the Haute Ville (aphv.fr). Vaison-la-Romaine lives in both past and present: a vibrant medieval town running on adrenaline, fine wine and plenty of eye candy. It could be the prototype for the quintessential Provencal town, tempered with modern amenities -- picturesque, dynamic, lively and interesting. Join us in a photo tour of this enchanting part of southeast France. Net proceeds form the sale of this book will support the work of the Association

for the Protection of the Haute Ville (APVH.fr). Find the Facebook page <https://www.facebook.com/HauteVilleVaison>
