**Carla Cecilia : Vatican City Monumental: French Language Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Vatican City Monumental: French Language Edition:

Vatican City is founded over the tomb of Peter, Prince of the apostles. Its artistic heritage parallels the history of the faith it represents. In this book, the photographs present the small and large historic treasures found within the Vatican territory, particularly in places usually not accessible to the general public. La Cité du Vatican est fondée sur la tombe de saint Pierre, Prince des Apôtres. Son patrimoine artistique parallels l'histoire de la foi qu'il représente. Dans ce livre, les photographies présente les petits et les grands trésors historiques trouvés dans le territoire du Vatican, en particulier dans des lieux généralement pas accessible au public en général.
