Sonia Gallico : Vatican: Italian Language Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Vatican: Italian Language Edition:

An in-depth descriptive guide for those visiting the museums and Vatican City, listing the main art works on display collected by the Pontiffs over the centuries. Also illustrated are the major monuments and historic buildings within the city state.Un'approfondita guida descrittiva per chi vuole visitare i musei e la Città del Vaticano, che riporta le principali opere d'arte esposte raccolte dai Pontefici nel corso dei secoli. Inoltre sono illustrati i principali monumenti ed edifici storici della città.
