**Tessa Kiros : Venezia: Food and Dreams** before purchasing it in order to gage whether or not it would be worth my time, and all praised Venezia: Food and Dreams:

0 of 0 people found the following review helpful. Venezia Food And Dreams By Alana Campbell Author Tessa Kiros is a very creative writer and this book is put together in a way that I especially appreciate. It is one of the most beautiful books that I own, complete with a lovely cover and black velvet page saver. The photos inside are charming and recipes delicious. It would make a scrumptious gift for someone! 0 of 0 people found the following review helpful. What a beautiful book! Felt I was back in Venice By Jean M. Lussier What a beautiful book! Felt I was back in Venice. Can't wait to try the recipes! Thank you 0 of 0 people found the following review helpful. Ciao Venezia! By Bryna Siegel, Ph.D. If you are missing Venezia, even if you don't love to cook it's food (though I sure do), get this just to look at the pictures to feel heartsick for the place... Very well written cookbook that gives the feel for the ingredients and how they should come along as the recipes progress...

To Tessa Kiros, Venice isn't just a place to visit, it is also a place to discover inspiring magical moments. She shares these special moments with foodies and fans in Venezia: Food and Dreams. This stunning book is so much more than a

cookbook. It's a personal journal, a travel guide, and a memoir about Tessa's love for Venice, Italy, and its special place in her heart--and palate. In Venezia, cooks awake to 105 amazing recipes and 120 four-color photographs focusing on the fascinating city and its famous fare. Chapters include Eating in Venice, Essential Recipes, Cicchetti (small bites), Antipasti, Zuppa/Pasta/Gnocchi, Risotto, Secondi, Contorni (sides), and Dolce (sweet things). "Venice is like when you hear a piece of music that scoops down into your soul, or notice a real tear getting ready to drop from the eye of an unlucky child. One of those rare moments when you grasp the magnificence of this world. Yes, Venice is one of those places." --Tessa Kiros

"Tessa's recipes are both authentic and exciting, and really conjure up a flavour of the city's gastronomic identity."
