Jürgen Heimlich : Vienna Central Cemetery: A personal guide book for the individualist before purchasing it in order to gage whether or not it would be worth my time, and all praised Vienna Central Cemetery: A personal guide book for the individualist:

The Vienna Central Cemetery offers outstanding opportunities to take a stroll, to pause for a moment and take a break from the hustle and bustle of everyday active life. There are many ways of discovering Europe's second largest

cemetery. Most tourists and graveyard visitors limit themselves to the graves of honour, as if this was all the cemetery had to offer. But this of course is not the case. With this guide to the Central Cemetery I want to offer suggestions for individual journeys of discovery, giving every visitor an opportunity to explore the Cemetery a very personal way.

About the Author Bin ein Autor aus Wien. Zahlreiche Interessen; u.a. Theologie, Psychologie, Soziologie, Literatur, Web 2.0, Fernsehkrimis und Fußball. Habe mich schon in vielen literarischen Genres versucht: Roman, Kinderbuch, Drehbuch, Sachbuch, Kurzprosa, Essay, Theaterstück und Lyrik.
