Bbie : Vienna City Streets before purchasing it in order to gage whether or not it would be worth my time, and all praised Vienna City Streets:

Laminated street map in color. Shows places to stay, points of interest. Inset maps of Uno-City (1:11,000), Schonbrun, Vienna and Region (1:100,000), Vienna metro system. Legend in 5 languages, including English. Climate charts show the average daily temperatures, humidity, hours of sunshine and precipitation for each month.

About the Author Berndtson Berndtson GmbH, a cartographic publishing company established in 1988 in Germany, makes tough, long-lasting maps with non-toxic, environmentally responsible lamination material.
