Freytag-Berndt und Artaria : Vienna, Complete Map before purchasing it in order to gage whether or not it would be worth my time, and all praised Vienna, Complete Map:

0 of 0 people found the following review helpful. Get out your magnifying glassBy miI bought 3 different maps hoping one would be user friendly and readable. I bought Vienna city map, Vienna Marco Polo and this one. No luck with any of them. The Rick Steves map is the only one to have if you want to get around the old town

Explore Vienna (Wien in German) with this FreytagBerndt double-sided touristic street map. The best way to plan your trip, prepare your itinerary, and to travel independently in the capital of Austria. This touristic street map contains: information on main sights in several languages (English included), a map of the metro, the bus lines and the railways, a road map of the surroundings.
