**Dr. Alfred Hiller : VIENNA, sightseeing in 70 colour photos (over: Schonbrunn Palace, view from Neptune's fountain)** before purchasing it in order to gage whether or not it would be worth my time, and all praised VIENNA, sightseeing in 70 colour photos (over: Schonbrunn Palace, view from Neptune's fountain):

A beautiful booklet featuring 70 color photos of Vienna. It also features a sightseeing tour following a map given on the inside cover.
