Annabel Barber : Visible Cities Dubrovnik: A City Guide (Visible Cities Guidebook series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Visible Cities Dubrovnik: A City Guide (Visible Cities Guidebook series):

20 of 20 people found the following review helpful. Don't leave home without itBy Bradley KulmanThe Visible Cities

Guidebooks are consistently the best guidebooks in the market. They are well-informed, up-to-date and easy to use. The Dubrovnik Guide is a must-have for those who are fortunate enough to spend time in this lovely seaside town. The guided walks are a terrific feature and help you see the city through a native's eye. The book is beautifully written and is one of the few guidebooks that can be read cover to cover. Well worth the investment.

Exploring Dubrovnik's fascinating history, this in-depth look at Dubrovnik combines scholarship with entertaining anecdotes about the people who built this ancient merchant state. A history of Dubrovnik and the Ragusan Republic, details on the city's art and architecture, five short guided walks through the old town and just outside it, and information on destinations elsewhere in the former Ragusan Republic and the islands and towns along the Mediterranean coast are included. With food and wine reviews, practical tips about the town, and short, selective lists of restaurants and hotels, this is the essential handbook for any traveler visiting this spectacular oasis.

"Useful . . . practical." -- The Mercury May, 2003
About the Author
Annabel Barber is the author of *Visible Cities Budapest* and *Visible Cities Vienna*. She is a former editor at *Budapest Magazines* and a food and wine columnist for *The Budapest Business Journal*. She lives in Budapest, Hungary.
