## London England: More Best Places Around London Every Family Should See (Volume 2):

Here You Walk with Kings and Queens The secret of discovering the heart of a country is seeing places where people and history have left their mark upon. Some places are beautiful, others quirky, some dark, others off the beaten track. That's what you must see when you visit London England. You can sip a traditional English Afternoon Tea at the Ritz and feel like royalty or visit Greenwich's Royal Observatory. You can visit Oxford or go to Westminster Abbey, the place of the coronation of 22 Kings and Queens. Stand still, close your eyes and smell the air, it's the smell of two thousand years of history; you are now part of it. Even if you visit London for a couple of days it'll wow you. Look into this book and then go out and find the real London and England. It won't cost you a fortune; instead, you and your family will belong to the history of this sometimes grey yet amazing land. Many a United Kingdom travel guide give long lists of attractions and trivial facts hard to digest. Anyone can find these online in seconds. How long would it take though to find reliable information without having to sift through many pages of fluff? It's neither helpful nor useful. For a truly memorable time, your visit should combine Four Basic Elements, it should: 1. Not cost an arm and a leg 2. Be fun enjoyable anytime you visit 3. Suit the length of your stay 4.
