My only suggestion is to make sure you aren't outside of the area covered because if so, you are so out of luck and lost....0 of 0 people found the following review helpful. great mapBy Granville I. Starkgreat map, good service from England0 of 0 people found the following review helpful. great mapBy koolkittyWe used this map a ton to match up the tube stations to where we were going. It helped to see everything all on one map.
