William Dampier : Voyage to New Holland before purchasing it in order to gage whether or not it would be worth my time, and all praised Voyage to New Holland:

Title: A Voyage to New Holland Author: William Dampier

About the AuthorNavigator, naturalist, writer and buccaneer, the Somerset born William Dampier led a wild and varied life from 1651 to 1715. He circumnavigated the globe three times and brought to England detailed accounts of the 'Great South Sea' and 'Terra Australis'.
