Really nice fold out map of WalesBy Joseph J StaffordIt's nice to be able to lay this map out on the table and see the big picture. I really like how the points of interest are indicated.

AA Road Maps Britain offer Britain's clearest mapping in a practical, slimline format with durable, plastic encapsulated covers Fully updated, these maps combine clear design and an easy-to-read scale with more road detail to ensure that you never lose your way. Each map includes information on toll points, service areas, road numbers, motorways, dual carriageways, and wide and narrow local roads. National Parks and places of interest are also highlighted.
