Wei GuoliangTan Yanhua : Walk in the Other Side of the Earth (Travel in Austria and Switzerland) (Chinese Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Walk in the Other Side of the Earth (Travel in Austria and Switzerland) (Chinese Edition):

A couple: Wei Guoliang and Tan Yanhua preferred to a travel life like the migrant birds after they finished their decades of teaching and put the health care and pension aside: once or twice a year, dozens of days each time they fly to the overseas, one country or several countries. For those years, they have visited the United Kingdom, Germany,

Austria, Switzerland, Netherlands, Belgium, France, Italy, Spain, Portugal, Greece ... During their travel breaks, they wrote their travel down, so the book of Walk in the Other Side of the Earth came into being ...
