It is a great map and I will need some time and maybe some latitude and longitude coordinates so I can pick out places of interest to me.

Great!

Covering an area of 50km² and with a large scale of 1:25,000, this map has the familiar look and style of OS mapping, with improved coverage of the featured areas. Aimed at outdoor enthusiasts in particular, the level of details ensures nothing gets missed and you won't get lost.
