AA Publishing : Walker's Map Hadrian's Wall before purchasing it in order to gage whether or not it would be

worth my time, and all praised Walker's Map Hadrian's Wall:

Very disappointed with this purchase. Title indicates it is a map of the Hadrian's Wall Path - alas it is only a relatively small section of the path. Have not examined it more than to realize the limitations but at this point I see no mile markers, either. Not what I expected at all.
