Mr Gerald Kelly : Walking Guide to the Camino de Santiago History Culture Architecture: from St Jean Pied de Port to Santiago de Compostela and Finisterre (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Walking Guide to the Camino de Santiago History Culture Architecture:

from St Jean Pied de Port to Santiago de Compostela and Finisterre (Volume 1):

The fully revised 2017 edition is now available with updates collected in summer 2016. A practical guide to walking the Camino de Santiago/Camino Francés with information about pilgrim hostels and services plus lots of background information about the history, culture and architecture of the places you will pass through. It covers the Camino from Saint-Jean-Pied-de-Port to Santiago de Compostela and onwards to the coast at Finisterre and Muxia. This guide grew out of the caminoguide.net free community-based guide to the Camino which is kept up-to-date with the help of feedback from pilgrims past and present. The guide includes: The Route: distances between places with pilgrim hostels, descriptions of difficult points along the route. Maps: route maps showing the Camino in rural areas and large-scale maps of the major cities and towns showing the location of Pilgrim Hostels and other facilities. Accommodation: up-to-date and accurate information about pilgrim hostels, the facilities provided and prices. (Please note, this guide does not contain information about hotels and guesthouses.) Services: information about services (shops, restaurants, tourist information, internet, etc.) plus the dates of local festivals. Sights: historical and architectural information about the sights you'll see along the Camino. History: a brief history of the towns and villages along the Camino, describing significant events, people and legends. Gastronomy: descriptions of the traditional dishes to watch out for in the different regions and recommendations on where to try them. Placenames: the meanings and origins of the names of villages and towns.
