This volume pays tribute to Mike Harding's love for the high fells, the rivered valleys, and the Dales people. Since he views walking as the best way of getting to know anywhere, this book is the story of different walks he has made and photographed over the last 15 years, from Penyghent to the Aysgarth Falls, from Garsdale and Baugh Fell. The text records the history of the Dales, and is a story of the place and its people, in addition, there are humorous Hardingesque anecdotes. Mike Harding is the author of "Footloose in the Himalaya" and "Walking the Peak and Pennines".
