Michael Wills, Elspeth Wills : Walks in Edinburgh's Old Town before purchasing it in order to gauge whether or not it would be worth my time, and all praised Walks in Edinburgh's Old Town:

Ten carefully planned walks take you into the city's colourful past and its vibrant present. Containing a wealth of historical and background information in a handy pocket format, this is a guide that will be enjoyed by visitors to the city and residents alike. It is fully revised to take into account new developments, including the site of the new Scottish Parliament.

Anyone interested in this intriguing part of Edinburgh - visitor, resident or the public at large, will find this a splendid investment.' Scottish Good Books Guide
About the Author Michael and Elspeth Wills have lived in the heart of the Old Town of Edinburgh for over twenty years and are closely involved in the local community as members of organisations such as the Old Town Community Development Project.
